terrafina for the sake of nature

- durable and therefore resource-friendly
- 100 % recyclable material
- eco-friendly - without tropical wood
- pefc certified - from sustainable forestry

Convincing quality!

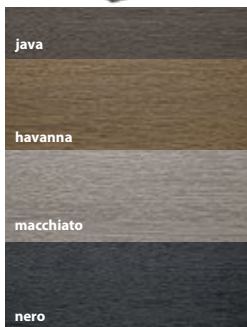

- low maintenance – simply clean with water
- high colour fastness and resistance to abrasion
- no painting, oiling or grinding required
- very anti-skid in both wet and dry conditions
- free of cracks and splinters
- resistant to weathering and temperature

Assembly which makes the difference!

- simple, time-saving assembly
- click & clamp system with uniform joints
- invisible mounting system
- as easy to work as wood
