Floorboard-system lounge

Inspired by nature

superior Design  
natural wood look finish  
low maintenance

# terrafina® **lounge** – just relax

terrafina® **lounge** boasts a superior design whilst being very functional. Due to a special manufacturing process, the board has a realistic and special wood-finish and texture.

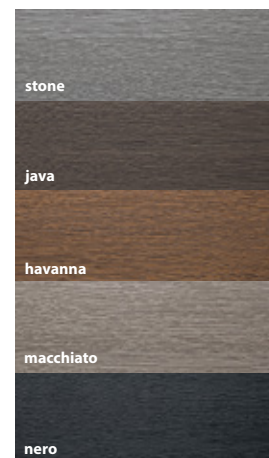

terrafina® **lounge** is unique. Its texture varies from board to board, thereby making the natural wood-look finish more convincing.

The board is fully coated with – an innovative material which guarantees high resistance to stains, and very low maintenance. terrafina® **lounge** is ideal for either fully or partially covered terraces.

terrafina® **lounge** – inspired by nature.

## Types und Colours

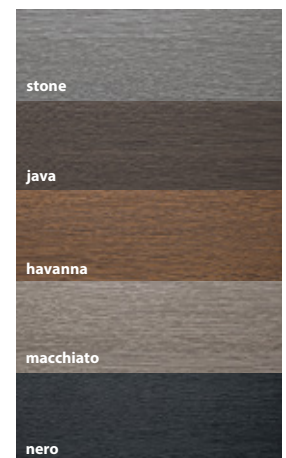

lounge

Dimension  
146 x 21mm
